5. Indicate the **brand and packing of the item/s** offered.
6. The brand offered must be **at least three (3) years commercially available in the market from date of the submission of consignment offer**. Proof of this shall be the initial Certificate of Product Registration (CPR) issued by the Food and Drug Administration (FDA).
7. **Submit the following documents, submission should be per product, with tab and per item number. Two (2) copies for the Valid Certificate of Product Registration and Certificate of Analysis (COA).**
 - a. **Memorandum of Agreement (MOA) and Certificate of exclusive/authorized distributorship between the manufacturer and distributor.**

Distributors/suppliers must have certification from their principals that they are the exclusive distributor of the drug products authorized to submit tender for the product on behalf of the principal and that all commitments made by them shall be honored by the principal in case of termination of distributorship agreement.
 - b. **Valid Certificate of Product Registration (CPR)** issued by the Food and Drug Administration (FDA).
 - **The name of the respective distributor should appear on the submitted CPR of the drug.**

Note: Expired CPRs should be supported with Official Receipt of renewal of application with the Document Tracking log for the CPR from the FDA.
 - c. **Valid License to Operate (LTO).**
 - d. **A notarized certificate that the offered brand has not been subject to product complaint/product recall for the past three (3) years.**
 - e. **Certificate of Acceptance** from at least three (3) major hospitals issued within the year and should be supported with Sales Invoice (*for new item/brand offered only*).
8. **New brands offered** shall be subject to further evaluation and shall require the following:
 - a. Validation of the submitted Certificate of Acceptance from at least three (3) major hospitals;
 - b. Justification from end-user/s to validate the acceptance of the good/s offered (to be facilitated by PGH-PSD).
9. No items shall be offered with expiration dates of less than twenty-four (24) months from the date of delivery.
10. Comply with the security, safety, and PGH house rules related to issuance of medicines and other pharmacy products to patients.
11. All the documents submitted are complete and authentic copies of the original, and all statements and information provided therein are true and correct.
